*Developing e-learning to
empower European trade unions -
EMPOWER*

www.obes.gr/empower

Project summary

The project "Development of e-learning for empowering European trade unions - EMPOWER» deals with **employment and social dimension of EU priorities regarding exit from the economic crisis.**

The **aim** of the project is the development of a multilingual e-learning platform in order to improve the capacity of trade unionists to face the pressures of a changing environment and the challenges of attracting new trade unionists as well as trade union networking.

Main **activities** of the project are:

- Developing an e-learning platform and educational material.
- Preparatory workshop in Athens.
- Training of trainers- trade unionists in the use of the electronic platform.
- Training of trade unionists in Greece, Italy, Spain.
- Final meeting and evaluation in Athens.

The topics of training are:

- "Preparation and management of change and restructuring."
- "Health and safety at work."
- "Adapting the social dialogue".

This project has been funded with support from the European Commission. This communication reflects the views only of the author, and the Commission cannot be held responsible for any use which may be made of the information contained therein.

Transnational training of trainers

Piraeus, 8th and 9th of May 2014

«The use of a multilingual e-learning platform to empower trade unionists»

The transnational **training of trainers** of the «EMPOWER» project will take place in Piraeus on the 8th and 9th of May 2014.

Training of trainers will last for 2 days. Its subject is the use of the **multilingual e-learning platform**, OBES developed to empower trade unionists.

8 experienced trade unionists from Greece, Italy, Spain and France participate in the training.

The language of training will be English.

Please, contact us to participate in the course.
