AIM

The Employees' representatives Guide on Information and Consultation provide them with a handy support containing information on their rights and tips to remind them what they have to pay attention to. The Guide mainly (but not exclusively) deals with information and consultation at the national level.

RESOURCES

Authors took into consideration:

- Suggestions made by trade unionists from Italy, Romania, Spain and Greece responding to the question «What practical advice would you give to trade unionists facing analogous situations?»
- Case studies presented in workshops of OBES and during the survey.
- Presentations in OBES conferences.
