TRAINERS

Panos Katsampanis OBES
Sofia Spiliotopoulou OBES

DETAILS

working languages: English, Greek

training material: case studies, situational games developed by SDA or OBES.

number & profile of participants: 18 EWC members and partners representatives.

methodology: participants will be split into three groups of six persons. Each group will examine solutions to the same case study situational game. Each group will have on table the Directive 2009/38/EC and the transposition laws in the three countries. Reports of the three groups will be reports to the plenary session, discussed and commented.

This workshop is co-financed by the European Commission
